## St. Valentine

By Nora Drew

St. Valentine is known as the patron of love, young people, happy people and happy marriages. He was a holy priest in Rome in the time of the early church. There are multiple stories about St. Valentine, one being that he was so loved by the children that they wrote him little notes. That is said to be the reason we send valentine cards. In the time that Christians were being persecuted St. Valentine was told to give up his faith. When he refused the Emperor of Rome commanded that he be beaten with clubs and then beheaded.
